## OUR PROGRAM

Noah's Ark Childcare and Development Center is a Christ-centered, state-licensed facility dedicated to providing a positive and safe environment where children can learn, play, and grow together. Noah's Ark is open 12 months a year, Monday thru Friday, from 6:00 a.m. to 6:00 p.m. We accept children from 6 weeks through 3 years of age. We recognize the unique nature of each child and follow a developmentally age-appropriate, daily schedule designed to meet your child's spiritual, social, emotional, intellectual and physical needs. We encourage each child's development of a positive self-image and sense of personal worth in an environment of trust, respect and love.

**AGES: 6 WEEKS TO 3 YEARS**

### OUR MISSION

To enhance the lives of children in a cheerful, loving, and Christ-centered environment by providing safe, structured play and learning opportunities to maximize their full potential

### OUR BELIEF

We believe that every child deserves a high-quality, early childhood program that addresses the spiritual, social-emotional, language, cognitive, and physical aspects of his or her development. Our goal is to collaborate with each parent to ensure that their child has the best experience possible.
